

We love
your Infiniti.
Can we keep it?

**Yes, we sell cars. But we also buy cars.
Ask for a free appraisal.**

We're in need of good quality, well maintained pre-owned Infiniti vehicles like your own. If you're interested in trading it in or just selling it to us, we would like to buy it. If within 14 days of a completed vehicle service you decide to purchase a car from us or sell your car to us we will pay your service bill -that's right, pay your service bill.*
